What is the Self Catering Policy?

The Self Catering Policy is a specially designed package to cover the assets, earnings and legal liabilities of self catering proprietors. It provides extensive cover against a wide range of risks.

The product design provides value because in addition to the Core Covers of Property Damage, Loss of Revenue, Public Liability, Employers' Liability and Commercial Legal Expenses, it allows business owners to buy optional cover that meets their specific needs, such as Personal Accident and Terrorism. In addition there are free benefits which some customers may need, including online risk management support, a legal health check and access to legal and tax telephone advice lines.

The Self Catering Policy is underwritten by Allianz Insurance plc (Allianz).

What is the policy duration?

The policy has a 12 month period of insurance (unless shown differently on your policy schedule), and is annually renewable. The start and end dates of the policy are detailed in the policy schedule.

How do I cancel the policy?

To cancel the policy, please contact the insurance adviser who arranged the policy.

Provided no claim has been made or incident has arisen which is likely to give rise to a claim during the current period of insurance, you will be entitled to a return of premium calculated on a pro-rata basis. This is subject to certain terms and conditions, full details of which can be found in the policy wording.
